

# Investing for Success

**Under this agreement for 2019  
Morayfield East State School will receive**

**\$532, 785\***

## This funding will be used to

- Increase Human Resources (HR) to provide intervention and differentiation support to achieve at year level and above expectations
- Focus on student and staff wellbeing by building skill sets that will support personalised learning, enabling our school community to flourish in a positive learning environment
- Improve student engagement in learning by implementing 4 out of 7 stages of the Reboot program schoolwide, by the end of 2019
- Increase expectations that 80% of Prep – Year 6 students achieve the equivalent of “C” or above for English and Mathematics
- Implement intervention and target teaching programs in Prep to Year 2 focusing on the development of oral language, phonological awareness, writing and reading

## Our initiatives include

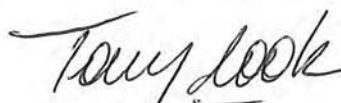

- Provision of extensive professional development for teachers and teacher aides through implementing a comprehensive support framework to build capability in targeted areas of wellbeing and student engagement
- Improving student outcomes based on early intervention through data analysis in Writing, Reading and Numeracy
- Increasing teacher aide support schoolwide, focussing on intervention and differentiation in Writing, Reading and Numeracy
- Continuing to improve teacher capability in data analysis to inform planning, intervention and differentiation focusing on improving student outcomes in Writing, Reading and Numeracy
- Increasing HR resources to support existing Oral Language and Early Years Intervention Programs
- Continuing the LEAP program (Learning Enrichment Around iPads) a learning engagement initiative, utilising digital technology

## Our school will improve student outcomes by

- |  |           |
|--|-----------|
| • Implementation of additional Human Resources to create and maintain an environment of wellbeing and success for student engagement and learning in Writing, Reading and Numeracy | \$288 000 |
| • Continuing to embed Early Intervention Programs in the Early Years   | \$9 900   |
| • Introducing ReBoot, an innovative research-based Whole Brain Teaching & Learning Program, connecting and motivating students to learn  | \$10 000  |
| • Implementation of additional Speech Language Pathologist (0.4) for Prep to Year 2 sector   | \$32 500  |
| • Resourcing audiology assessments and additional teacher-aides to embed oral language programs in the early years   | \$158 885 |
| • Resourcing to support student engagement and learning in Writing, Reading and Numeracy   | \$22 500  |
| • Continuing to provide ICT resources to engage, support and improve learning outcomes in LEAP   | \$1 500   |
| • Building professional partnerships - successful smooth transitions in the early years and into high school   | \$9 500   |

**Julieanne Wilson**  
Principal  
Morayfield East State School

**Tony Cook**  
Director-General  
Department of Education

\* Funding amount estimated on 2018 data. Actual funding will be determined after 2019 enrolment data are finalised. Actual expenditure may be varied due to changes in finalised 2019 enrolment data and student learning needs.
