

Investing for Success

Under this agreement for 2018 Morayfield East State School will receive

\$481,897*

This funding will be used to

- Increase expectations that 80% of Prep students achieve the equivalent of “C” or above for English and Mathematics.
- Implement intervention and target teaching programs in Prep to Year 2 focusing on the development of oral language, phonological awareness, reading and numeracy.
- Increase to 80% of students receiving “C” or above in English and Mathematics.
- Increase human resources (HR) to provide intervention, differentiation support and learning engagement, to achieve at year level and above expectations.
- Increase the percentage of students in NAPLAN Upper 2 Bands in Reading, Writing and Numeracy.
- Increase the percentage of students at or above National Minimum Standard (NMS) in Reading, Writing and Numeracy.

Our initiatives include

- Provision of extensive professional development for teachers and teacher aides through implementing a comprehensive support framework to build capability in targeted areas of Reading, Writing and Numeracy.
- Improving student outcomes based on early intervention through data analysis in Reading, Writing and Numeracy.
- Increasing teacher aide support school wide, focusing on intervention and differentiation in Reading, Writing and Numeracy.
- Building capability and capacity through professional development, coaching, year level teams and professional learning communities to create school wide consistency of practice in Reading, Writing and Numeracy.
- Continuing to improve teacher capability in data analysis to inform planning, intervention and differentiation, focusing on improving student outcomes in Reading, Writing and Numeracy.
- Increasing HR to support existing Oral Language and Early Years Intervention Programs.
- Implementing the LEAP program (Learning Enrichment Around iPads) - a learning engagement initiative utilising digital technology.

Our school will improve student outcomes by

- Implementation of additional HR to support student success in Reading, Writing and Numeracy **\$230 000**
- Continuing to embed Early Intervention Programs in the Early Years **\$ 13 500**

- Introducing innovative, research-based professional development for staff to improve student achievement school wide in Spelling and Grammar **\$ 8 600**
- Continuing to resource a robust curriculum, aligning with the Morayfield East Pedagogical Framework **\$ 54 297**
- Resourcing audiology assessments, extra speech language pathology and teacher aides to support, develop and embed oral language programs in the Early Years **\$ 70 000**
- Implementing ICT resources to engage, support and improve learning outcomes for all students **\$ 94 000**
- Building professional partnerships to provide successful smooth transitions in the Early Years and transitions to high school **\$ 11 500**
